Set into a raised (7.7mm high) 14ct white gold six claw "Low Base" styled setting is one 0.90ct old European cut Diamond (I/J, VS2). Total Diamond weight approx 1.14ct. Total weight of the ring is 6.5 grams.

**Replacement Valuation \$9,000.00**

Adrian Waddell

The articles described above have been examined and the values given are an expression of our opinion. Gemstones have not been removed from setting(s) for assessment and all grades and weights have been estimated within the limitations imposed by setting(s). If a more precise assessment of the gemstone(s) is required they would need to be removed from the setting(s) so microscopic and other tests can be performed. This can be done with the owners permission at an additional charge. Whilst all care has been taken in making this valuation, no liability is accepted other than for any errors or omissions, including any liability to the person by reason of negligence. The values are noted in \$NZ inclusive of GST based on current precious metal prices at the time of the valuation. This valuation is for insurance purposes only and is not to be used for resale purposes.
