PLATINUM 1.00CT DIAMOND CROSS PENDANT ON PLATINUM CHAIN

Gross Weight:
Chain: 1.05 grams.
Pendant: 1.73 grams.
Total weight: 2.78 grams.

Chain Length:
Approximately 40.30 cm.

Material:
Chain: Platinum 850 (Pt 850).
Pendant: Platinum 900 (Pt 900).

Condition:
Presented in very good condition.

Stamps:
The pendant is stamped “1.00” and “Pt 950”; the chain is stamped “Pt 850”.

Design:
A platinum cross pendant featuring an open-backed gallery and shared-claw setting, suspended from a fine cable-link chain secured with a spring-ring clasp and adjustable jump ring.

The pendant is set with eleven round brilliant-cut diamonds arranged in a cross motif, comprising five diamonds along the vertical axis and seven along the horizontal axis, with the central diamond shared between the two axes.

Eleven (11) round brilliant cut natural diamonds
