9CT ROSE GOLD CURB LINK BRACELET

Weight:
65.96 grams.

Material:
9ct rose gold.

Overall Length:
Approximately 21.50 cm.

Link Width:
Curb links measuring approximately 1.3 cm in width.

Stamping:
Stamped "375" and "9CT".

The "375" fineness mark is enclosed within an oval cartouche on the triangular end caps.

Additional "375" fineness mark is present on the clasp component, with "9CT" stamps visible on each individual curb link.

Condition:
Presented in good to fair condition.

The bracelet exhibits a polished finish with moderate surface wear, including fine scratches and minor abrasions consistent with regular use.

The spring-ring clasp is operational but does not close tightly, with a noticeable gap remaining at the closure when engaged.

Design:
A substantial 9ct rose gold curb-link bracelet composed of tightly interlocking, oval-shaped links.

The bracelet terminates in triangular-shaped end caps, with a spring-ring clasp connection at one end.

The links and clasp components feature polished surfaces.
