Replacement Value means to restore the claimant to that position before the loss.

IMPORTANT NOTICE: This valuation is for INSURANCE PURPOSES ONLY and not intended for any other purpose.

The value is our opinion of a current normal retail asking price for an item of this quality. It is based on current wholesale prices plus the normal retail mark-up for items of this nature. Actual retail prices may vary from this value. Items are valued in their current condition, deductions may have been made for wear and tear. Values are in NZ Dollars, including GST.

Antique, and items that are not currently in production, are at the value they would realistically cost in open market situation between a willing seller and a willing buyer.
